This pdf has a date at the bottom of the page of the day that the file was generated from the Armoured Combat Fighters Handbook wiki, so you will know how up-to-date your hard copy or file of the rules is.

Updates to the content (including fixing typographical errors) and alterations to the coding behind the pdf creation will trigger a new pdf to be available from that link. Any changes to the actual rules will be documented in the `Armoured_Combat:Change_Log`.

We don't recommend saving copies of the pdf to other locations, as they will become out of date when the wiki is updated with rule changes. Use, a bookmark or save the link instead.
